Coin

One side is brash, confident and ruthless. He rules with an iron fist and no one can say otherwise. Pillaging and taking, violent and unyielding. Some tremble in fear from his penetrating stare. No one crosses him and lives to tell the tale.

The other side is goofy, down to earth, and friendly. He always has time for his friends and family. They fill his life with joy and humor. Encouraging and helpful, takes time to appreciate the finer things in life.

And yet, they're one in the same. Two sides to the same coin - Warlord and Mathias.

Forever linked.
